For Immediate Release

Major General Marshall Keye Sabol, U.S. Air Force (Ret.) Joins The SPECTRUM Group

Alexandria, Va. – November 17, 2023 – [The SPECTRUM Group \(TSG\)](#) is pleased to announce that [Major General Marshall Keye Sabol, U.S. Air Force \(Ret.\)](#) has rejoined its firm. General Sabol delivers more than 40 years of senior subject matter expertise encompassing U.S. Air Force (USAF) and Joint programs in air, space and cyber operations, security, ISR programs, civil aviation, and total force initiative efforts. At TSG, he provides key insights for companies seeking to enter or grow their business in the Department of Defense (DoD) market, leveraging his strong understanding of DoD budget processes.

"Keye brings exceptional experience, expertise, and integrity to TSG," said [Andrew J. Campbell, TSG Executive Chairman](#). "He will expertly support our clients in critical U.S. and international operations, requirements, programming, and strategic planning initiatives and in the private sector. I'm grateful to Keye for his years of service to our country and look forward to working together closely."

"TSG is fortunate to have Keye join our team," said [TSG's President, Major General George Close, U.S. Army \(Ret.\)](#). "The expertise he brings from his distinguished U.S. Air Force service and private sector experience greatly enhance TSG's [Air Force Team](#) capabilities, enabling us to better support our clients in important domains including business development efforts for expeditionary base equipment, communications, supply chain management, foreign military sales (FMS) and manufacturing."

Prior to joining TSG, General Sabol was an influential member of the USAF corporate structure in three different seats, and had responsibility for determining the five-year strategy and budget for the entire USAF. Among his key roles were serving as Director, Strategic Plans, Programs, and Analyses, where he held responsibility for formulating corporate process and evaluated DoD, USAF, and Air Force Materiel Command (AFMC) plans and policies, from acquisition to depot maintenance to sustainment and termination. General Sabol also served as Director, Operational Capability Requirements, where he was responsible for identifying capability gaps and working with test, acquisition, sustainment, and operations communities to develop alternatives and define requirements.

[The SPECTRUM Group \(TSG\)](#) is a premier Washington, D.C.-based strategic consulting, government relations, and professional services firm. Since 1993, SPECTRUM's diversified practice has helped U.S. and global clients achieve their defense, security, and government business objectives.

General Sabol can be reached at (703) 683-4222 or ksabol@spectrumgrp.com.
